

# Leadership and Learning

Bringing together internationally recognised scholars such as Andy Hargreaves, Megan Crawford and Lorna Earl, this book focuses on the relationship between leadership and learning. It draws together a wealth of knowledge and evidence in the field, including:

- Effective leadership practices across a variety of contexts, such as system leadership, professional learning communities and leading different cultures
- Expert commentaries on research, practice and theory
- Overviews of international research evidence on leadership and learning

This book is for students on Masters, EdD courses and similar programmes in educational leadership.
