

Southwestern College (Campus History)

Southwestern College is located in Winfield, Kansas, on a prominence that overlooks the Walnut River Valley. Determined to bring education to the plains of Kansas, Methodist leaders founded the college in 1885. These early pioneers and their successors built beyond their dreams, creating a strong, unique, and vital institution that has produced close to 25,000 Moundbuilders across the globe. Today, that Moundbuilder tradition educates thousands of students at the main Winfield campus and online.
