

Helladian Vistas (Classic Reprint)

Excerpt from Helladian Vistas
The following chapters have already appeared in print as magazine articles. They are republished with the kind permission of the editors of Harpers Magazine, the American Catholic Quarterly, the Catholic World, Donahoes Magazine, and the Catholic University Bulletin. Frequent repetitions of thought and expression have been allowed to remain, although almost inexcusable. To my many friends in Greece and in America I am grateful for much assistance kindly given.
