

## The Indian Post Office (Traveler Tales)

Think its easy to mail letters or a box? Not so much in India. Author Merri Melde delves into the often comical confusion and chaos of a few Post Offices - and alternate alleys - in India to mail letters and a box home. In these short stories, readers will learn how to get attention when theyre the only customer in a Post Office; how to hold their own at the counter at a crowded Post Office armed with a sense of humor; and how to negotiate all the (arbitrary) steps on what it takes to mail a parcel.
