

Picked-On Poindexter

Poindexter always felt a little self-conscious about his differences. After all, he thought...do frogs have blue feet? red knees? and diddies on their faces? A heartwarming story about Poindexter, a lovable frog, who was picked on for being different. Follow him through his first day of school and his encounter with the lunchroom bully, Bonky. Poindexter confronts the challenges of being different and makes an unexpected friend in the process.
