

ABC Book for Kids: A-Z Alphabets for Kids

This alphabet book is a small step for you, but a giant leap for your child's learning process. This ABC book for infants and small children is based on the philosophy that Simplicity is the ultimate sophistication. Using colors from both ends of the spectrum, and using pictures, silhouettes and different patterns, this book has been designed with the young children in mind. Using criss-cross flashcard learning method to stimulate both sides of the brain, the book etches the alphabets in the child's memory while offering a simple and fun learning process. At the end of the book, are a few pages for the child to practice writing the Alphabets. When they have filled it, you can keep this book as a souvenir for them. They will surely cherish the memories of their very young days. The Capital and Small letters of each alphabet along with the related word has been designed, colored and placed in the right place for your child's optimum learning experience. A mixture of simple and slightly complex words will ensure that the learning process is unique! A Child's brain is capable of absorbing anything, Get this book now!
