

Interactions 2: Listening/Speaking (Bk. 2)

Interactions Mosaic 4th Edition is the newly expanded five-level, four-skill comprehensive ESL/ELT series for academic students. The new edition, for beginners to advanced learners, incorporates interactive and communicative activities while still focusing on skill building to prepare students for academic content. Reading, Writing, Listening and Speaking, as well as Grammar are thoroughly presented in each strand. High-interest themes are integrated across all skill strands and levels. Language proficiencies as well are articulated from level to level. The Instructors Manual, one for each student book, provides new expanded activities, user-friendly instructions, Placements Tests, Chapter Quizzes, and corresponding Answer Keys. The Instructors Manuals, one for each of the Listening/Speaking strands of the new 4th edition, have a complimentary Assessment piece that can be ordered in either an audiocassette or CD-ROM format. The L/S Assessment Audiocassettes/CDs contain listening activities that correlate to those provided in the Instructors Manuals. The activities are designed to better assist teachers to prepare students to do well on the chapter quizzes and placement tests.
