

# Exam Survival Booklet

The ultimate exam survival guide written by members of the Young Enterprise Team, Innovation. Our members are all A\* students who attend the Manchester High School for Girls sixth form. This survival guide is packed full of tried and tested tips to help you reach your full potential and achieve success in your exams! Throughout our school and sixthform life, we found that we learnt a lot about our own learning styles, as well as little tricks to help to motivate us, for when lying on the sofa watching TV seemed a much more appealing option than slogging over textbooks. From ways to cope with revision to tips on sleeping, our carefully written book contains all the advice you need for exam success!
