

The History of Chivalry, Vol. 1: Or Knighthood and Its Times (Classic Reprint)

Excerpt from The History of Chivalry, Vol. 1: Or Knighthood and Its Times
The last half, however, of the second volume does not relate to chivalry, and therefore the learned Frenchman cannot be charged with treating his subject at very great length. It was his purpose to describe the education which accomplished the youth for the distinction of knighthood, and this part of his work he has performed with considerable success. But he failed in his next endeavour, that of painting the martial games of chivalry, for nothing can be more unsatisfactory than his account of jousts and tournaments. As he wished to inform his readers of the use which was made in the battle field of the valour, skill, and experience of knights, a description of some of the extraordinary and interesting battles of the middle ages might have been expected. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
