

Achieving Success for Kids: A Plan for Returning to Core Values, Beliefs, and Principles

Achieving Success for Kids is a clarion call to action that explains why we need to save Americas children and return our nation and our schools to the core values, beliefs, and principles upon which our nation was founded. In this book, Tim L. Adsit presents a bold, visionary blueprint for change and success in achieving and exceeding international standards in American schools within the next two to four years, restoring America and its educational system to their rightful place of prominence and leadership in the world.
