

A Hedonists Guide to Los Angeles

For discriminating travelers, A Hedonists Guide to Los Angeles is the definitive guide to having a devilishly good time in the City of Angels. Compiled by man-about-town Andrew Stone, this must-have directory contains 200 of the hottest insider addresses in the city, from the relaxed beachside communities of Santa Monica and Malibu to fast-paced Sunset to the glamour of Beverly Hills. Every hotel, restaurant, bar, club, and cafe is illustrated with a full-color photograph, and maps note each venues location. Each listing is thoroughly researched and as up-to-date as possible; a supporting website reflects any changes that may have occurred after the books publication, making this an essential directory for both visitors and residents.
