

Copybook I

Our primary Copybooks teach penmanship, basic grammar, spelling, literature, accuracy, attention to detail, and memory--all through the simple skill of copying. We have selected Scripture from the King James Bible (chosen for its poetic verse) and classic childrens poems, such as those by Robert Louis Stevenson, which describe the world in charming detail. The clean, facing pages provide plenty of space for your neophyte to draw and color the glorious passages provided. In years to come, you will cherish these journals of your child's work.
