

# Leadership in Post-Compulsory Education: Inspiring Leaders of the Future

Leadership of different kinds exists at many levels in the post-compulsory sector—from principles to programme leaders, administrative staff and even caretakers. Based around case studies of current leaders in post-compulsory education, this unique book explores a number of leadership models and styles in order to provide inspiration and guidance for the next wave of potential leaders.\* Captures authentic voices of the leaders\* Includes examples of further, adult, community and prison education\* Covers all type of leadership: charismatic leaders, academic leaders, spiritual leaders, women leaders, ethnic leaders, ethnic leaders, business leaders Presenting a wide and holistic view of leadership at different levels, this book is relevant for all potential and current leaders in post-compulsory education. By encouraging readers to review and reflect on the models described, the book will inspire leaders of the future to develop their own leadership styles and visions.
