

Little Lives Description: Creative Writing Activity for 6-8 yr olds

There are so many amazing small creatures in the world! Kids will have fun exploring the world of little lives and choosing their favourite creature to write a description about. This step-by-step booklet makes it easy to guide students as they develop their ideas from beginning to end. Little Lives Description is an ideal resource for parents, primary or elementary school teachers, relieving teachers, home-school educators and teachers of gifted and talented students. The lesson is designed to build literacy skills and also to fire up students at every end of the spectrum, from the most reluctant to the most gifted writers. Don't forget to browse Alicia Dawn's range of Creative Writing Activity books for more great teaching ideas at www.thecreativewritingbug.weebly.com. The booklets are developed in New Zealand but the themes are universal to any great childhood experience and can be applied internationally. Every lesson in every booklet has been tried and tested by the students of Alicia Dawn, an educator with a Masters degree in Creative Writing who has been teaching children specifically in this area for around ten years.
