

Learn Spanish Verbs: A Simple Guide to the Patterns of the Major Tenses: Mastering Conjugations to Enrich Your Spoken Spanish

Have you tried to learn Spanish but are having trouble memorizing all of the pesky verbs? Are you a student trying to study and memorize lots of information efficiently? Are you ready to take your Spanish to the next level and communicate and comprehend exponentially better? This book can help you achieve all of those things in a simple, easy to understand way. It breaks down all of the major conjugations - the present, present progressive, preterit (past), imperfect, future, conditional, and subjunctive - in patterns to help you absorb and digest the information without having to memorize it.

You will learn why the conjugation patterns emerge, and how to seek patterns in all of your language learning endeavors. This condensed verb guide covers 8 semesters of high school Spanish or 4 semesters of college level Spanish verb conjugations. It is an ideal resource for a student, traveler, or someone who would like to improve their current Spanish. **BONUS:** 200+ verb glossary at the end of the book and the 600 vocabulary building notecards made available to all readers!
