

Flags of the Napoleonic Wars (2): Colours, Standards and Guidons of Austria, Britain, Prussia and Russia: v. 2 (Men-At-Arms)

From the Liebfahne and Ordinorfahne of Austria, to the eagle and wreath of Russia, the flags of the Napoleonic Wars comprised a range of designs and colours. The second in a series of three volumes focusing on flags of the Napoleonic Wars, this book examines the patterns, colours and guidons of Austria, Britain, Prussia and Russia, offering a rare glimpse into an often-overlooked subject in Napoleonic history. The text is packed with illustrations throughout, including colour plates, sketches and tables detailing flag variants, patterns and inspection colours.
