

Ocean Surf-ari: A S.M.Art Story? Yoga Based Curriculum

S.M.Art Stories are fun, themed, yoga-based adaptive curriculum guides designed for therapists & educators, and anyone who cares for & works with children. Stories, movement & art are used to engage and inspire children to better health, concentration & learning. User, child and classroom friendly, these guides are perfect for children with and without adaptive needs. The activities require minimal space & common items found in a classroom, therapy room or at home. Many themes cross over into classroom curriculum making for a unique way to reinforce whole child learning. Ocean Surf-ari gives you 112 pages of everything you need to deliver an engaging, therapeutic & fun yoga-based enrichment program in any environment. In addition, each book is designed to parallel NASPE standards for movement & exercise as well as the US Department of Education Core Education Standards for a variety of subjects. This program helps children of all abilities: *improve focus, *integrate the sensory system, *reduce & manage transitions & stress, *communicate & interact appropriately with peers & teachers, *foster character development & *form healthy exercise & eating habits. This Book Contains: *112 color page detailed teachers guide & instruction booklet *An ocean themed story/narration *movement set suggestions *breathing & tension releasing techniques *exercises & activities for building focus *guided imagery narration *simple relaxation strategies *3 adaptable lesson plans (for up to twelve 30-45 minute classes) *instructions for 5+ interactive movement games *photo instructions for 3+ different art projects *adaptation ideas, resource & supply list *bonus group project ideas *18 Full size Color photo Movement Cards with instructions, benefits & adaptations *Dozens of ideas & tips! You don't have to be experienced with yoga-any teacher can

use these guides easily. Ocean Surf-ari is an engaging, fun & cost effective way to enhance & enrich learning in & out of the classroom! *This set is recommended for developmental ages 5-10.
