

The Transformation (Atelos)

Poetry. Juliana Spahr has lived in many places, including Chillicothe (Ohio), Buffalo (New York), Honolulu (Hawaii), and Brooklyn (New York). She has absorbed, participated in, and been transformed by the politics and ecologies of each. This book is about that process. THE TRANSFORMATION tells a barely truthful story of the years 1997-2001, a story of flora and fauna, of continents, islands, academies, connective tissue, military and linguistic operations, and of that ever-present we, to name only a few. At once exhilarating, challenging, and humbling, THE TRANSFORMATION is a hefty book in its honesty and scope, a must-read.
