

St. James Trade School and Brother James Court (Images of America)

Helping orphaned and disadvantaged boys get a chance at a better life was the mission of Brother James, founder of the Franciscan Brothers of the Holy Cross, a German Catholic Order that sent Brothers to the United States in 1924. To that end, St. James Trade School was established in Springfield, Illinois, in 1928. Two years later, the first group of apprentices was admitted; they and hundreds who followed them through 1972 went on to become certified mechanics, carpenters, and electricians among other valuable trades. High school diplomas were earned beginning in 1948. In 1975, Brother James Court (BJC) opened with a brand new building specifically designed as a residential intermediate care facility. BJC provides both residency and advocacy for developmentally disabled men. Providing the highest quality care, consistent with the spirit and principles of the Franciscan Brothers of the Holy Cross, programs at BJC meet residents needs and allow them to live happily at BJC for as long as they need.
