

Articulating with Difficulty: Research Voices in Inclusive Education (New BERA Dialogues series)

Articulating with Difficulty is an excellent collection and comes highly recommended. It follows Peter Clough and Len Barton's earlier and controversial collection, *Making Difficulties* (1995), and draws on a wide range of perspectives in disability, inclusive education and Special Education Needs (SEN) research to tease out key issues on voice.... All contributors share a willingness to engage seriously with challenges thrown down by disabled academics and activists; that they do from different standpoints in another strength of this collection - *Disability & Society*. This volume addresses the issue of voice in special education research; the voices of the researchers as well as those of th
